

## RENEWAL HOMES

Renewal Homes is an impact mission of Families United Serving and Embracing, a Christian 501(c)(3) non-profit organization that provides beautifully furnished, shared spaces for women seeking safe housing options for transformative growth.

## OUR MISSION

Help at-risk young women with resources and support for a better future.

## OUR VISION

Provide safe affordable furnished housing in nice neighborhoods in a supportive environment.

## WHAT WE BELIEVE

At the core, by serving the least of these we are serving Jesus, himself. (Matt 25:31-37). Furthermore, we encourage families serving together. It has a long lasting impact and promotes spiritual growth to those who serve.

## WHAT WE DO

Our focus is on supporting pregnant women and young adult women at-risk for exploitation. Of those who we have been supported by our mission, 28% are pregnant mothers and 45% are single women. 95% of women served had spent time in Foster Care/and or had high ACE scores.

## WHY IT MATTERS

Your partnership helps young expectant mothers become stable who are experiencing a crisis due to home insecurity or exploited through human trafficking. We cannot express enough the gratitude of being able to serve those who have lost hope because of the violence they had to endure for not having a safe place to live. They are unheard and unseen, living on someone's couch, or living in their cars or going from shelter to shelter and the worst yet, being exploited so that they can have a roof over their head.

# Stronger together in Christ!

It takes the Body of Christ working together to meet the multifaceted needs.

Furthermore, agencies, charities and government can help provide a safety net to help those in need, but it can't Love and bring transformation like the Love of Christ can. Together we can meet the needs, fill the gaps, and express the good news of God!

Let us show our communities through works and action, what love really looks like. "With every act of love...we bring the Kingdom of God."

Let us do it together in unity!
